This submission is in regards to the October 24th letter that the National Association of Broadcasters Television and Radio Political Action Committee received from the Commission. The letter requested information in regards to the August Monthly Report (7/1/02 - 7/31/02) concerning the PAC exceeding its contribution limits to Congressman Roy Blunt. The PAC did not exceed its contribution limits. The regulations state that PAC's can give \$5,000 per election (1. Primary & 2. General) for a total of \$10,000. Also, that PAC's can contribute to other PAC's \$5,000 per each calendar year. It is known that this question was asked due to the #4 (see below) listing saying Roy Blunt rather than by its official leadership PAC name of ROYB Fund. This was an error due to how the computer software listed the committee name of one of the contributions.

The 4 contributions in question were as follows:

1. Friends of Roy Blunt - 7/29/2002 - \$2,500.00 (Primary)
2. Friends of Roy Blunt - 3/5/2002 - \$1,000.00 (Primary)
3. Friends of Roy Blunt - 12/17/2001 - \$1,000.00 (Primary)
4. Roy Blunt's Leadership PAC - 3/27/2001 - \$1,500.00 (2001 contribution)
